DUCK RIVER LABRADORS - STUD SERVICE AGREEMENT

This contract guarantees the mating or shipment of semen to the listed dog but does not guarantee a pregnancy or puppies. Two live puppies constitutes a litter and fulfills this Agreement. Stud and service fees are non-refundable, if a litter is not produced, the service fee must be paid again to repeat a breeding. All other costs such as shipping, extender and boxes, are bitch owner's responsibility. Duck River Labradors is not responsible for loss of semen or late arrival due to FedEx shipping problems.

Stud Fee of $2,500. Full Stud Fee or Service Fee is to be paid before semen is sent.
CHECKS MADE PAYABLE TO JULIE STEVENS

Option 1 – Pay in full: Stud Fee of $2500 paid up front and one repeat breeding if the first breeding does not result in a litter of two or more puppies. Repeat breeding must be used within a two year period of original breeding. If original used Stud is not available, you have your choice of available Studs.

Option 2 - Service Fee: A non-refundable service fee of $500 and the balance of $2000 due within one week of whelping two live puppies. No repeat breeding is owed if bitch misses. If bitch owner chooses to repeat breeding, the service fee must be paid again.

Terms:

1. We require progesterone testing to ensure correct timing. Please notify us when the bitch starts her cycle and send progesterone results so we can be ready to ship when needed.
2. You will receive 2 collections, so be sure your timing is accurate.
3. Bitch owner must provide shipping boxes (or return borrowed boxes in same condition back to Duck River Labradors).
4. Bitch owner must supply a Fed Ex number for shipping charges.
5. Bitch owner must supply a copy of all health clearances completed.
6. Stud Dog owner has the right to refuse a mating.
